**BOM Agreed Report
November 9th, 2017**

Please see the November Newsletter for lots of school news.

The Board of Management will start a consultation on Healthy Eating in the school. Staff, the Parents Association and all parents/ guardians will be consulted. This process of consultation will have started by the end of November.

The Board of Management, along with Fr. Tom, will be researching the purchase of a defibrillator that could be located close to the astro-turf pitch and could be used by the school and community.
