### *Charities Policy*

*The school receives numerous requests to fundraise for very worthy causes. We also have fundraising needs of our own. We must be aware of the financial pressures families are under while also being mindful that we are a Catholic school and wish to promote charity donations.*

*Parteen National School will engage in the following charitable activities each year. Participation is optional for all children.*

- 1. Year 1: Team Hope Christmas Shoebox Appeal. Year 2 St. Vincent De Paul and Fr. Gerry Daly Christmas Appeal*
- 2. Trócaire Boxes in all classes*
- 3. Sports Day ice-cream van towards Down Syndrome Ireland*
- 4. 6<sup>th</sup> Class bake sale – all requests received throughout the year and the class will consider which charities should benefit from it.*

*Anybody charity wishing for us to fundraise should put their request in writing. We will only consider requests where we can confirm that the money goes directly to the charity involved and a receipt will be provided.*

*Ratified by the BOM on 28/6/16*
