**Board of Management Agreed Report
June 14th, 2018**

The Board of Management thank Deirdre Curtin for her service on the Board of Management and welcome Cathal Crowe to the Board.

Ms. Guckian will progress the Literacy School Improvement Plan and Ms. Quinn will progress the Numeracy School Improvement Plan in consultation with staff.

Thank you to the Parents Association for organising and running the school walk.

The Board of Management will soon be publishing a plan for the creation of a sensory garden, a school garden, a sensory room and a private, fenced in play area for use during school time.

We have applied for funding for fire safety upgrades to the new building.

Three new flat screen interactive panels will be installed in the school. We are also upgrading the WiFi system.

Interviews will take place for a replacement teachers as noted in the June Newsletter, This process will be complete by early July.
