**Board of Management Agreed Report  
8/11/18**

The Board of Management have ratified the School Self-Evaluation Literacy and Numeracy Reports and Improvement Plans. We acknowledge all the work that has gone into both these areas and thank all staff.

The Board of Management have appointed Cathal Quinn to complete the planning application for the play area. The Board invite one/ two teachers to form a committee with the Principal to design the play area. It is hoped that design would be complete in December and planning permission will be lodged after that.
