			Principal asked parents in March 2018 Newsletter taking pictures at school events not to share them on social media. This reminder has now been added to the ‘Reminders for Parents’ letter published each September.
Ball Zone	Low	Harm to pupils	Ball zone has been moved in response to consultation with children on Child Protection Risk Assessment.
Bus Late	Medium	Harm to pupils	This was high risk last year as it was noted that despite contact with bus company bus was still late sometimes. School principal has been in contact with the bus inspector in writing. The matter is now resolved. If the bus was to be late e.g. road accident causing traffic delay, they must call the school and the secretary will inform teachers to send children who go on the bus to the hall where they will be supervised by principal/ deputy until the bus comes.

Important Note: It should be noted that risk in the context of this risk assessment is the risk of “harm” as defined in the Children First Act 2015 and not general health and safety risk. The definition of harm is set out in Chapter 4 of the *Child Protection Procedures for Primary and Post-Primary Schools 2017*

In undertaking this risk assessment, the board of management has endeavoured to identify as far as possible the risks of harm that are relevant to this school and to ensure that adequate procedures are in place to manage all risks identified. While it is not possible to foresee and remove all risk of harm, the school has in place the procedures listed in this risk assessment to manage and reduce risk to the greatest possible extent.

This risk assessment was first completed by the Board of Management on 7/3/2018. It was reviewed as part of the school’s annual review of its Child Safeguarding Statement on 11/3/19 and 5/3/20.
