

## Possible Suggestions for Distant Learning,

### Senior Infants Parteen National School.

15<sup>nd</sup> June 2020 – 27<sup>th</sup> June 2020

Dear Parents, and Boys and Girls in Senior Infants. I hope you are all well. I am delighted that I will be teaching your children again next year. We will be able to continue from where we left off. I am looking forward to it and the day when we can all be back in school. Please find a list of activities below.

#### Most important things to try to cover daily

- Try to read something every day for 10 minutes. If you do more that's great!
- Try to write a few lines using cursive writing. It could be a letter to a friend. It could be your news. It could be a diary. It could be our dictation sentences.
- Do some sums addition as far as 10.
- Exercise! It can be outside or inside but try to get 30 minutes exercise every day.
- If you can do all this you are doing great! And if you would like to do more please follow work below.

#### English

- Read a library book at home that you have or else read books on [home.oxford owl.co.uk](http://home.oxfordowl.co.uk)
- Here are some new words to practise that you could add to your word box. "two, or, before, eat, again, play, who, been, may, stop, off, never, seven, eight, myself" Continue to practise all the words from our word boxes.
- Continue your cursive writing at home when you are writing.
- Writing Ideas:
  - Letter writing/Emails
  - My News
  - Dictation sentences
- Try to complete some pages from your Sounds make words book.
- This week practise making words that end in "ang" e.g , rang, bang, hang, sang, fang etc. in a copy if you have one. Also practise making words that end in "elt" e.g. melt, belt, felt etc
- Try to write some of your own sentences including some of these words.
- After you have made these lists read the sentences below with your parents. Read them each day. Towards the end of the week try to write them in your copy while your parents call them out to you.
  - I rang my aunt and sang her a song.
  - The dog has a sharp fang.
  - I felt happy when I gave my dad a new belt.

- Melt the chocolate in the bowl.

- **Dictation practise:** Please find word lists of 4 letter words in copies sent home for children to continue with and practise. Try to encourage your child to use their sounds to spell the words. Practise writing about 5 words a day. If there is too much or too little you can do three a day or do more than five if you feel comfortable.

## Maths

**This week** Please continue to practise a page a day from your planet maths.

## Irish – simple questions

You could watch TG4 for children's Irish programmes.
