Board of Management Agreed Report

17/8/2020

In June 2020 we created a draft plan for reopening our school, in consultation with staff and the Parents Association. We published it on June 26th so that we could officially close for the summer and the school community would have confidence that we were getting ready for reopening our school.

On July 27th, the DES issued a roadmap for reopening schools. Our original plan was updated taking the government guidelines into account. We then reissued a draft reopening plan to staff and the Parents Association. We asked for feedback in writing. This evening, the BOM met to discuss all feedback received. We have updated our draft having considered this feedback. Our plan is available here:

We will review the plan on Thursday, September 10th.
